Dear Sir or Madam,

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, Tyler Encapsulations wishes to notify the Food and Drug Administration that it will within the next 30 days commence to market a dietary supplement which bears statements of nutritional support.

The dietary supplement for which the statements are made is Carbo-Similase. The dietary ingredients that are the subject of the statements are protease, amylase, lipase, cellulase, lactase, invertase and malt diastase. The statements of nutritional support are as follows:

1. Complete digestive enzymes. High carbohydrase formula.
2. Aids in the digestion of all food groups, while providing added enzyme activity for carbohydrates.
3. Aids digestion of carbohydrates, proteins, fats, fiber and sugars under virtually all gastrointestinal pH conditions.

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that these statements are truthful and not misleading.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jeremy Appleton".

Jeremy Appleton

Director of Technical and Regulatory Affairs
